## FOR INTIMATE CELEBRATIONS

NARENDRA BHAWAN

A grand destination for an intimate wedding, Narendra Bhawan beckons you to celebrate your union amidst a small group of friends and family. The erstwhile residence of the last *maharaja* of Bikaner, it offers the charm and warmth of getting married at a home-away-from-home. A warm-yet-regal wedding venue, it brings forth an eclectic mix of dining spaces that are intended to stimulate your guests with a sentiment that is at once familiar, yet has a nostalgic strain. Gaushala, the outdoor space, makes for an elegant cocktail evening, while a fun evening bachelor's or bachelorette bash is a great idea at their rooftop set with an azure infinity pool. Take your vows at the beautiful central courtyard, Diwali Chowk, illuminated by hundreds of earthen lamps and decorated with flowers, while P&C, the elegant dining room with an array of banqueting options, serves elegant meals for your wedding at this princely bungalow.

Take a trip to the iconic Junagarh Fort in Bikaner to pepper your wedding getaway with historical sightseeing.
